All students in our school live in all diffrent location for pick-ups. So, to gurantee optimal bus route, we are informing you that we can not meet everyone's need for their pick-ups individually.
Recently, as our number of bus riders increase, new students could be categorized on the waiting list, once the designated bus gets full. Our school bus routes change every semester based on the number of students, traffic conditions and more. Therefore, please check our school website or business office (02-3496-0526) for any further updates or changes.
