Tuesday

Nature & Art Explorations (1)

Teacher: Ms. Jennifer

Grade: PK-K

Day: Tuesday

Date: Oct. 19, 26; Nov. 2, 9, 16, 23, 30; Dec. 7

Number of students: around 15

Location: Rooftop

Art involving nature can be done simply to display the beauty of the natural world around us, to make scientific observations in an environment, and to open our minds to the connection we have with nature. In this club, children will enjoy making open-ended art using natural materials (chalk, paint, leaves, sticks, stones, etc...). Weather permitting, we will explore art in the outdoor setting, on the newly-refurbished rooftop area.

Fun and Games

Teacher: Ms. McCarthy

Do you love finding hidden clues and solving riddles and puzzling problems? Let’s learn how to make and break codes, follow clues on scavenger activities, find hidden objects and solve minute mysteries.

Ukulele Club

Teachers: Miss Ava and Ms. Mary Anne

Grade: G2-5

Day: Tuesday

Date: Oct. 19, 26; Nov. 2, 9, 16, 23, 30; Dec. 7

Number of students: around 15

Location: Music Room

Ukulele is a popular and fun instrument to play both on your own and with a group. In Ukulele Club we will learn several chords and strumming patterns to play many well-known and favorite songs.

Trail Blazers Club

Teacher: Mr. Shaw

Grade: G3-5

Day: Tuesday

Date: Oct. 19, 26; Nov. 2, 9, 16, 23, 30; Dec. 7

Number of Students: around 15

Location: Science Room & SC Woods

Do you like to be outside, go hiking, or just enjoy being in nature? In Trail Blazers Club you will spend your time helping clear and make hiking trails, building outdoor structures, learning how to use different types of tools, and getting a lot of fresh air while creating our very own Seoul Campus KIS park!

**Trail Blazer Club members will need to bring clothes suitable for working in the woods such as jeans, a long-sleeved shirt, hat, and closed-toed shoes for each session. Insect repellent will be provided.*

Wednesday

Animal Craft Club

Grade: PK-K

Day: Thursday

Date: Oct. 21 ; Nov. 4, 11, 18, 25 ; Dec. 2, 9

Number of Students: around 15

Location: Chinese classroom

Everyone needs a calm moment now and again, including children. This mindfulness coloring club is a great way of focusing children on a simple and relaxing task. Colouring is an activity that sparks the brain into action. The parts of the brain responsible are logic and creativity. If you think of coloring like a mental exercise, then you're keeping your brain active, healthy and improving coordination. Come and join, Let's be mindful through coloring.

Mindful Coloring Club (2)

Teacher: Ms. Pam

Grade: G1-2

Day: Thursday

Date: Oct. 21 ; Nov. 4, 11, 18, 25 ; Dec. 2, 9

Number of students: around 15

Location: PK classroom

Learning to relax is an important skill. Children need to end their day with a relaxing session of coloring. It helps to calm the body and relax the mind. Coloring has **the ability to relax the fear center of your brain**, the amygdala. It induces the same state as meditating by reducing the thoughts of a restless mind.

Fiber Arts Club

Teacher: Ms. Karen

Grade: G2-5

Day: Thursday

Date: Oct. 21 ; Nov. 4, 11, 18, 25 ; Dec. 2, 9

Number of Students: around 15

Location: Art Room

Do you like to sew? Do you want to learn how to stitch, embroider, and create things with needle and thread? Then this is the perfect club for you! Join Ms. Karen's fiber arts club and learn basic hand-sewing techniques as well as a variety of techniques that can be applied to manipulating textiles as you create your own unique hand-sewn artworks.

Film Club

Teacher: Mr. Marshall

Grade: G3-5

Day: Thursday

Date: Oct. 21 ; Nov. 4, 11, 18, 25 ; Dec. 2, 9

Number of students: around 15

Location: G5 classroom/Green Room

Are you interested in creating your own short film? Come join the *Film Club* to develop your filmmaking talents. We will learn about key filmmaking techniques and put those skills into action by recording short films. Please come join us if you are interested in fostering your creativity and pursuing your passion for visual arts.
